Guidelines for logo use

- Always allow a clear space around the logo to maintain its clarity and visibility.
- Do not stretch or distort.
- Different versions of the logo are provided: colour, black and white. Use the version best suited to the background. Generally speaking, colour and black works best on a light background, white works best on a dark background.
- Logo colour: #ac1780 | RGB 172, 23, 128
- Logo font: Montserrat
