Godforsaken

A series of reflections written for Lent and Holy Week ponders the significance of Jesus' last words on the cross - ‘Eloi, Eloi, lema sabachthani?’ which is the Aramaic for ‘My God, my God, why have you forsaken me?’

What does it mean for Jesus to have quoted them, at the very end of his life? What do those words mean for us? A beautiful and compelling exploration of the dark, suffering side of the Passion – and how Jesus’ words lead us to the greatest hope of all.

Dear England

Inspired by a conversation with a barista who asked him why he became a priest, this is the Archbishop of York Stephen Cottrell's extended answer to that question - as well as the letter he'd like to write to a divided country that no longer sees the relevance or value of the Christian narrative.
Prayer - Where to start and how to keep going

It's the simplest thing in the world, yet it can seem so difficult. It's as natural as breathing, yet it's hard to find the right words. Just how do you learn to pray? This practical, illustrated guide considers ten basic questions about prayer and offers simple helps for making prayer a part of everyday life. This guide is adapted from a larger book first published as Praying Through Life and reissued as How to Pray.

On Priesthood

Messenger, sentinel, steward .. these three words have been used to describe the work of a priest in the Church of England since Cranmer wrote the original ordination rite in 1550. Two more, servant and shepherd, were added in 1980. Taken together, these five metaphors provide a rich and resonant set of ideas through which to explore the nature of Christian ministry.

In this short, lyrical book, Bishop Stephen Cottrell explores each one; based on actual addresses given to ordinands on the night before their ordination, it is refreshing, challenging and accessible.
Come and See

Reprinted in November 2020, the book features 28 readings offering lessons for growing Christians from the story of the apostle Peter. Helping readers to develop a pattern of Bible reading, reflection and prayer, this title includes questions for personal response, which can also be used for group discussion.

Striking Out

Sharing his pilgrimage along the Camino de Santiago, Stephen Cottrell uses poems and stories to tell messages of spiritual journeying and growth.
The Sleepy Shepherd

The Sleepy Shepherd is so dozy he completely misses the visit of the angels . . . and the chance to greet the Christ-child in Bethlehem. But one crucial night, years later, he makes an important decision – to be a real shepherd to a man whose friends have all fallen asleep . . . Utterly enchanting. The Sleepy Shepherd glows with colour, with each spread featuring a luminous mixed-media collage by Brighton-based illustrator Chris Hagan.

The Pilgrim Way

Co-authored with Steven Croft, Paula Gooder and Robert Atwell this short booklet provides a contemporary summary of the essentials of the Christian faith for enquirers, new Christians and baptism and confirmation candidates. Written by the authors of the popular Pilgrim course, it follows the pattern of one of the most ancient teaching traditions of the Church: catechism. Originally a form of baptism preparation in the early Church, it explores Christian belief through a series of questions and answers - the way that Christians across the centuries have learned and taken to heart the core truths of Christianity.

The Things He Did

Jesus stands in the prophetic tradition of those who embody what they teach. The things he did were carefully planned. And in this book,

Stephen Cottrell draws out their political and religious significance as Jesus moves towards his greatest and final act – his death and resurrection.

Hit the Ground Kneeling

This book takes common statements about leadership - statements that we often take for granted - and questions them in the light of Christian faith and Christian perspectives on leadership.
Walking Backwards to Christmas

Using the brilliant, deceptively simple device of telling the Christmas story backwards, Bishop Stephen helps us encounter Christmas as if for the first time. He introduces us to the faithful, yet strong-willed young Mary, whose delight in God foreshadows the light of life that will be kindled inside her.

Christ in the Wilderness

In this attractive illustrated book, Stephen Cottrell reflects on five of the Christ in the Wilderness paintings, and reveals them to be a rich source of spiritual wisdom and nourishment. He invites us to slow down and enter into the stillness of Stanley Spencer's vision.
The Nail

The Nail offers imaginative reflections on Christ's crucifixion, which could be used during Lent. Each of the seven chapters is focused on a different key character, who describes his or her experience of the Passion. There is a Biblical passage, a meditative hymn and a reflection from the point of view of the character.

How to pray

This book is a basic primer on prayer. It will get us started, keep us going and uses every stage of life and its varied events to renew and expand our understanding of being alive to God through prayer. Completely honest about the struggles and difficulties everyone encounters, it will help us discover how natural prayer is, even when we least feel like it.
The Things He Said

In this revelatory book of surprising reflections, Stephen Cottrell's retelling of the Easter story encourages us to slow down and hear it properly – perhaps for the very first time.

The Things He Carried

The narrative of Holy Week is powerful and painful but, because we know how the story ends, it's easy to gloss over the difficult details and stay in the comfort zone of our understanding. Stephen Cottrell brings home, vividly and poignantly, the physical reality of the passion story.
I Thirst

Bishop Stephen follows the passion story in John’s Gospel, penetrating the deep mystery of a God who loves humanity no matter the cost. Each layer of meaning in the simple cry ‘I thirst’ is an invitation to consider our own lives and think again about what it means to be a follower of Christ in the modern world.

How to Live

This book is a personal companion for your journey of faith. Whether you are a new Christian setting out, or a weary traveller in need of refreshment, it offers an inspiring guide to the essentials of the Christian life. Co-authored with Steven Croft.
P is for Pilgrim

As you explore the Christian faith, you will soon encounter some challenging words: Trinity, Sacrament, Reconciliation, Sin, Incarnation, even the word ‘Christ’ itself. It isn’t Jesus’s surname! It is a title with a meaning and history. Sooner, or later, these words, and the ideas behind them, must be addressed and understood. It is simply not possible to be a Christian, without understanding sin and forgiveness, knowing what a sacrament is, or accepting Jesus as the Christ.

This book is here to help. It explores and explains most of the key concepts and ideas that underpin the Christian faith.
